Wellbeing:

**“The impact of *work on health*
and the impact of *health on work*”**

David Crossman *Wellbeing TAG Chair*

The same but different

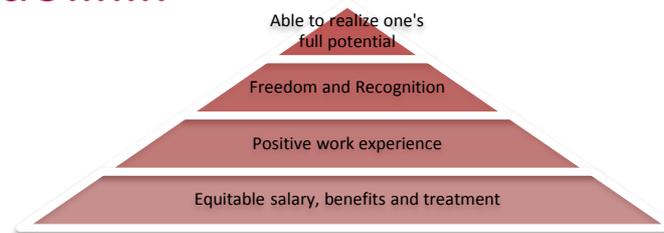

Wellbeing

Maslow/Hertzberg - Hierarchy of needs

“.....it's important to recognize that most people start a new job with high levels of motivation and enthusiasm, and that they generally want to enjoy what they do.....”

.....this natural state of motivation is then reduced, over time, by bad practices and poor conditions within the organisation.....”

***Is your organisation a great place to
work?***

Fairness & Diversity
